Sought the devil who lived in a castle deep in the woods

Gianozza received the poison after she made a binding contract to become a witch

The devil came up with a plan for Gianozza to escape with Mariotto after it looked like she died drinking poison

Mariotto, who thought that Gianozza really died, drank the poison and ended his life

However, Mariotto did not hear about the plan

Learning of Mariotto's death, she took a dagger and in sorrow

Immediately after, Gianozza, who faked her death, woke up,
